With the opening of a decade comes a whole new world before us. The limitless universe silently awaits as we enter the threshold of the '70's. All of us, as a school, face tomorrow by facing the challenge of today. Together we have entered this school and participated in events: the first game, all of its tense spectators hoping for a victory; Sadie Hawkins Week with the boys being caught and not really minding; each girl a queen at the Junior-Senior Prom; and that 'A' on the term paper, giving us the feeling of a job well done. A new decade has brought forth a class emerging as a force to face the world with hope and realization of the dream of . . .

. . . a new beginning.

Terry,
 It's kinda hard to believe it's all over with. It's been nice knowing you all these years. We've had some good times. Remember the 9th grade? Take it easy!

THE SCHOOL

Citizens Gain from Board's Additions

The Enid Board of Education with the cooperation of the Superintendent of Public Schools provided more needed educational facilities for Enid and schools in surrounding areas.

The original O. T. Autry Vocational Technical Center in Enid proved so successful that an additional \$350,000 was supplied by the citizens of Enid. This sum will be matched by national grants. These monies will increase space and study facilities of the Vo Tech Center.

A new program of education was also introduced to the Enid area by the Board's creation of a free kindergarten service.

The Board of Education once again proved its importance by furthering its goal of increasing the educational opportunities for the citizens of Enid and surrounding area.

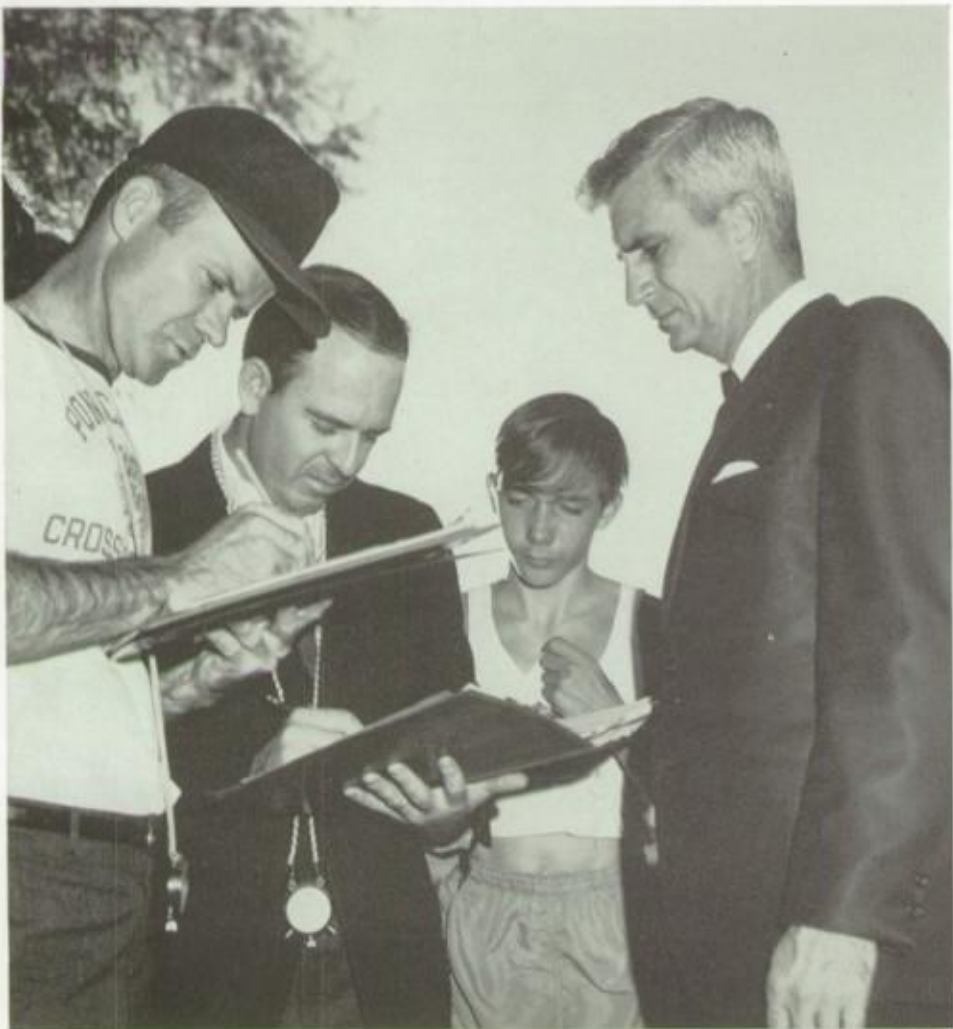

MR. O. T. AUTRY, Superintendent of Schools

ENID BOARD OF EDUCATION—Mr. Allie Paine, Mr. John Thorpe, Mr. Milburn Carey, Mrs. Margaret Buvinger (pres.), Mr. Cleo Fisher, Mr. Wes Mounts (v.-pres.), Mr. Duane Moulton—confer on matters of importance to Enid citizens.

Mauk Boosts Spirit in EHS Activities

A new decade begins with renewed leadership ability of Mr. Gene Mauk, principal of EHS. A faithful fan at all Enid sports affairs, Mr. Mauk exemplifies the spirit of our school.

This avid sports fan displays this same spirit in his school administrative position, solving problems, counseling with students, parents and faculty members, and making visiting dignitaries welcome to our school and community.

Mr. Mauk has completed another very successful school year and is an outstanding example for all the young people at Enid High School.

Coach Lloyd Ray and the Ponca City coach, George Stangeland, compare scores as Mr. Mauk expectantly waits for the results of the Cross Country meet.

Mr. Mauk thanks Dr. Robert Bibens from Oklahoma State University for his interesting speech at the DE-ICT banquet held at Holiday Inn.

Mr. and Mrs. Gene Mauk, avid Plainsmen supporters await anxiously the outcome of the game.

Mr. Stanley Jenkins, Assistant Principal

Mr. Tom Niles, Assistant Principal

Dedicated Educators Stimulate Students

Accepting some of the responsibilities of administration are the two EHS vice-principals. Coordinating teacher-student relations and discipline are two of the many tasks carried on by Mr. Stanley Jenkins and Mr. Tom Niles.

Mr. Jenkins, well known for his Jenkin's Jerkies on pep assemblies, secures substitutes for faculty members when necessary and also counsels with students concerning schedules or personal affairs. Dealing with student problems and attendance, Mr. Niles aids students in accepting their responsibilities.

Through the efforts of the guidance personnel,

an accurate account of students' achievements is recorded in the cumulative folders. These folders are used to aid in the making of decisions for college or future work areas chosen by the students. Personality ratings, grades, achievement test scores and aptitude abilities are only part of the information available through the Guidance Office.

The vice-principals and guidance personnel encourage students to do their best, guiding them into their fields of interest so that all students can perform to the best of their abilities.

Mrs. Denker and Mrs. Millard, new librarians, are always willing to assist EHS students.

Coach Loomis stops for a moment to give a fleeting smile before he continues his drivers' education class.

Students Inspired by New Instructors

Faculty members are the essential link between student and knowledge. To complete this chain of learning a teacher must be enthusiastic and devoted to this task set before him.

Enid High faculty encourages students to seek education — education that includes leadership, responsibility, and the ability to use their talents.

A dedicated faculty and energetic student body has led to the success of Enid High School.

New Instructors Lead EHS Students

New teachers to Enid High School have brought fresh young ideas to the student body. These teachers have stressed the importance of securing a good future by gaining new and advanced knowledge.

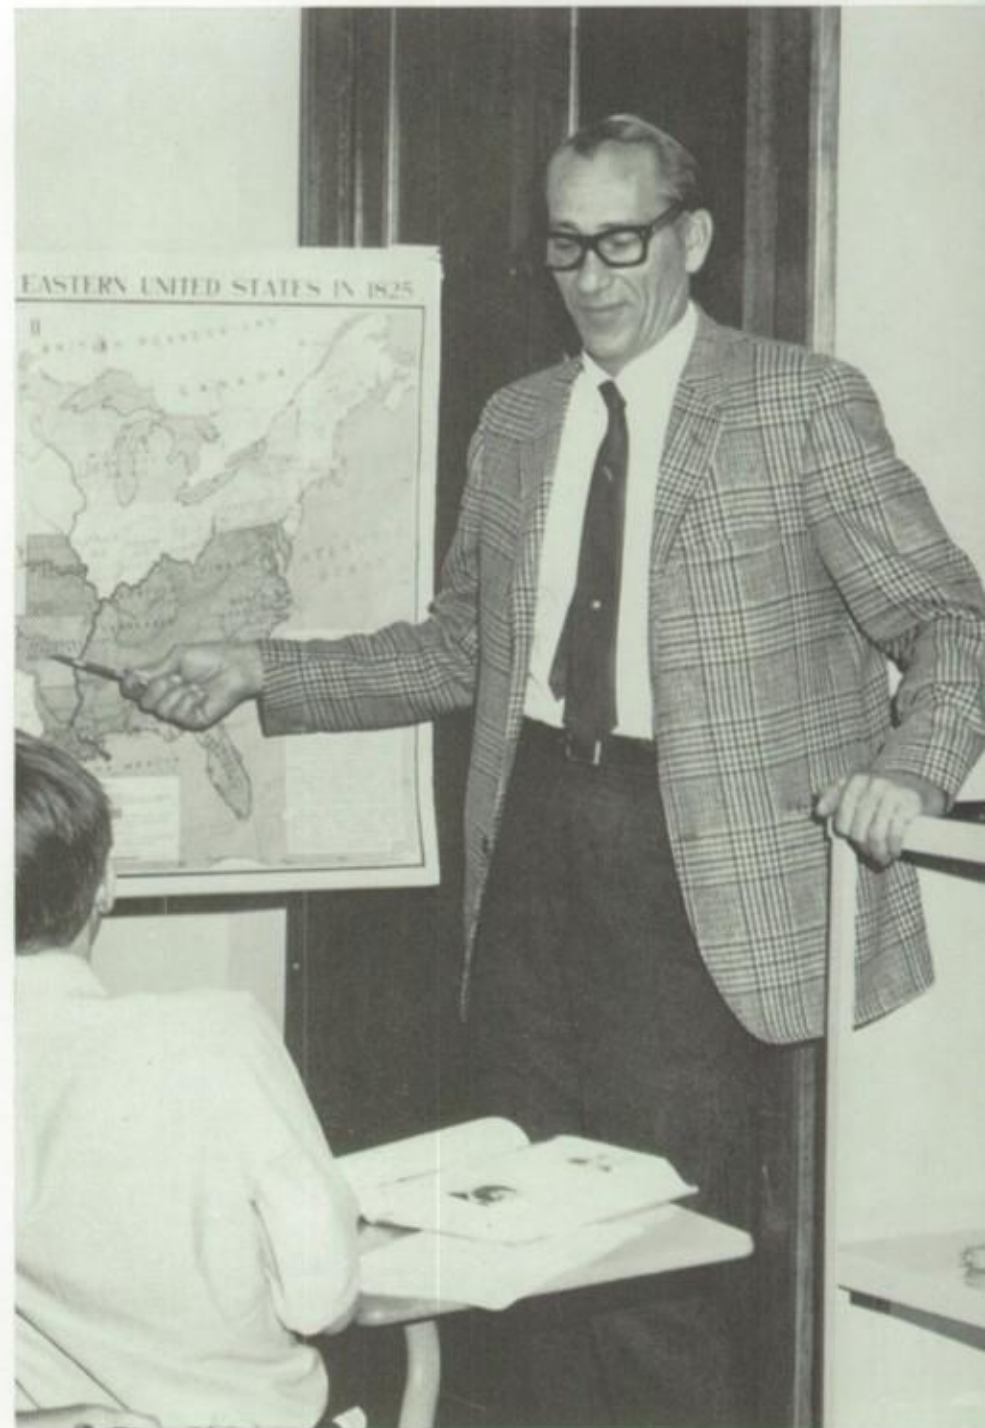

Emphasis has been placed on learning. Accuracy and the ability to think quickly are assets taught all students. Developing these skills is part of learning.

With this knowledge students from EHS will be leaders in the world of tomorrow.

Questions to answer and problems to solve are part of the daily routine for geometry teacher, Mrs. Sue Nivens.

Mr. Luke Thompson, a new teacher at EHS, divides his time between American history classes and coaching.

Industrial crafts class is aided by new instructor, Mr. Duane Keahey.

Retiring Teachers Motivate EHS Students

Miss Eva Young

Miss Muriel Koger

Years of devoted service have proven that the quest for knowledge makes success. Miss Eva Young, Mr. Herbert Seem and Miss Muriel Koger have exemplified devotion to students and their chosen profession.

Through many years of outstanding teaching, these instructors have enriched the minds and daily lives of many knowledge seekers, their students.

The highlight of the closing of school was the distribution of the 1970 Quill. The yearbook staff is a time consuming, satisfying experience enjoyed by all members. Parties, fun, fellowship and hard work combined to preserve memories of this school year.

Journalism takes the time of many students at Enid High. The Quill Weekly staff produce the school paper and type and proofread the news for the Enid News and Eagle. This year the staff had fourteen assistants working in the Quill office each period of the day.

Journalists Study Newspaper Procedure

Students interested in all fields of newswriting and reporting turn to the Journalism Club to further their understanding.

The club under the sponsorship of Miss Ruth Scott, travels to both OU and OSU to obtain more practical experience and knowledge concerning their journalistic endeavors.

A banquet was held during the Christmas season by club members and various guests and members were entertained by talented students and interesting speakers. With practical experience and understanding the students can be ready for experiences that will await them in the journalistic world.

The pace changed in the spring as members took several field trips to see science at work.

Another active group of young scientists at EHS is the Science Projects Class. Meeting once or twice a month, this group discusses displaying their projects and writing papers for the local, regional, state, and international science fairs held each spring.

Delta Theta Encourages Math Students

Questions intrigue Dr. Lysle Mason, Phillips University instructor.

Answers come quickly in response, satisfying eager students.

Interest in mathematics at Enid High reached a peak this year. The quality of education offered by the math department continued to excel. Selected students were given the opportunity to enroll in accelerated courses in Modern Algebra and Trigonometry and Analytics.

The Delta Theta Club allowed senior students to pursue their math interests even further. Mathematicians spoke to the monthly meetings and a field trip was taken to study a computer in the city. The club also sponsored a major tutoring program in which club members donated time to help other students.

What is the Credit Bureau? What is the past history of the Viet Nam conflict? What is shaping up in European affairs? These and many other questions were topics of discussion at the monthly meetings of the Current Affairs Club.

Led by Carolyn Pickhardt, president, and aided by faculty advisors, this group stressed the importance of public awareness. They endeavored to increase student interest in the affairs of the state, nation, and the world.

Outstanding speakers led discussion at the meetings with such recognized men as Mr. Don Westfall and Mr. Henry Bass. The members of the Current Affairs Club will have gained much for the future in the participation of discussion and the fun of membership.

Ronnie Story enjoys the antics of Mr. Thomas Lee and Mr. Gerald Fluman while planning CA monthly meeting.

Become bi-lingual is the theme as Mrs. Jamae Stewart instructs her fourth year advanced Spanish class.

Languages Lead To Bright Future

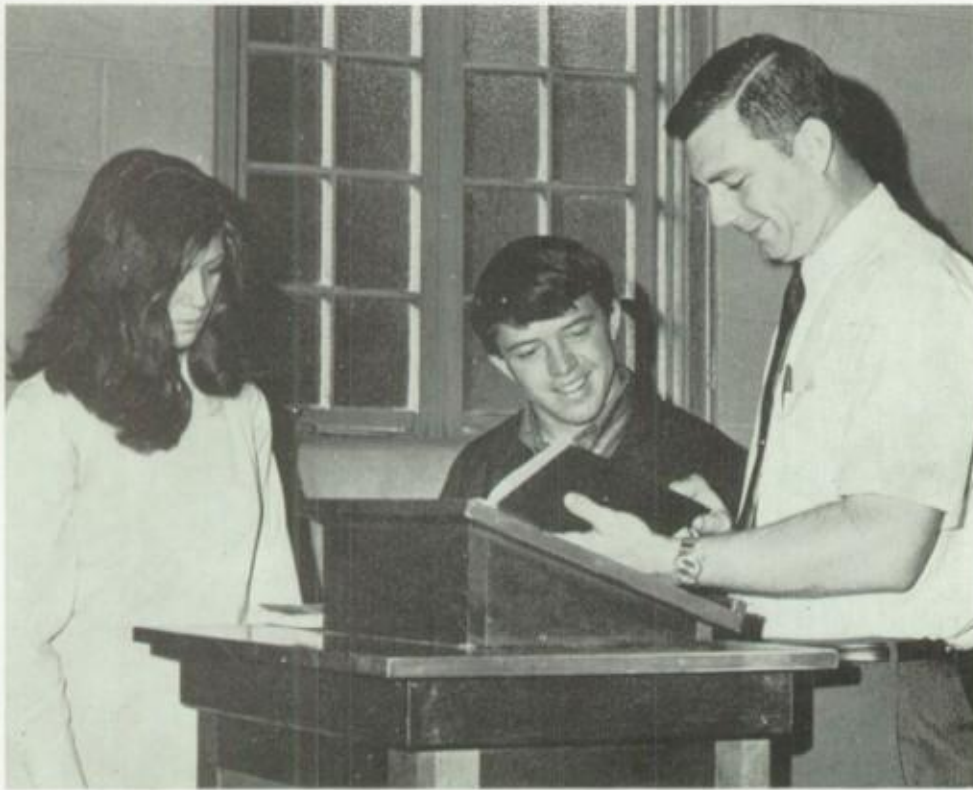

Foreign language is an ever-growing necessity in an ever-changing world. Enid High is fortunate in having a good foreign language program.

Third and fourth year Latin students caroled at a local hospital over Christmas. The next project for Phi Epsilon was the Roman banquet given during the spring.

Mrs. Stewart's fourth year Spanish class studied the adventures of a teen-age boy who takes a trip from Mexico to Spain, not only exposing the students to the Spanish language, but to Spanish culture, history and geography. As a special event, seventy-five students from all four levels of Spanish went to Oklahoma City to see the stage production of "Man of La Mancha."

Parlez-vous Francais? is a question heard over and over again in the French classes. The department has expanded to include a third year class this year and is hoping to continue it. Thanks to Miss Fromholz and Mrs. Thom, French is heard constantly echoing through the halls of Enid High.

Ecclesiastic History Comes Alive in Bible

*Sorry,
Best wishes
for a happy
and successful
life. Dennis Allen*

Bible Club is composed of those students enrolled in Bible classes. Each class elected a president, vice-president, secretary and treasurer to carry on business within the meetings.

Guest speakers exchanged ideas and information with the students once every two months and helped inform them on current issues.

Bible Club is an educational and sharing experience that will be remembered by all.

Sketching a portrait in art class, Patty Ridge uses much skill in perfecting her drawing.

Chuck Shields and Janet Truesdell focus attention on their sketch pads, artistically producing the assigned drawing.

The art students at EHS are able to further their study through Palette Club. Under the sponsorship of Mr. J. Giles and Mr. Eldon Ames, meetings are held monthly when guest speakers are featured.

Club projects included exhibiting showcase displays, designing Christmas cards for teachers and encouraging participation in art shows. This year, Tulsa was the site of the annual art trip.

Interest, willingness and ability are traits that art students possess. All strive to improve through art classes and Palette Club.

Useful Experience Aids Future Career

Typing, bookkeeping, general business, and shorthand classes form the basis for the teaching of the fundamental skills necessary to begin a business career. It also helps to prepare students for advanced college training.

Stressing the necessity and importance of business subjects to individuals both for personal use and as a career is the purpose of the business department.

Students from this department quickly find that the skills they have learned will help them find full or part-time jobs.

Headed by Mr. Charles Lynch, the department faculty includes Mrs. Charna Lohmeier, Miss Muriel Koger, Miss Hazel Powers, Mrs. Mary Ridge, Miss Beryl Korb, and Mrs. Darlene Nolan.

Skilled Work Builds Vocational Scopes

Many futures are molded in the Graphic Arts Department. Students receive help from their instructor, Mr. Herbert Seem, in learning Offset Printing, type setting, design layouts and many other phases of the art of Graphic Arts Printing.

Those enrolled in this class learn by doing more than by the book. They print the Quill newspapers, enrollment cards, attendance slips, and other forms and notices used by the Enid school system.

Through woodworking and Industrial Crafts, students learn how items around the home are put together and repaired.

Mr. Lloyd Ray assists those who may need to find quicker ways to produce a more professional project, whether large or small.

DE-ICT Students Plan Future Jobs

Cokes! Popcorn! were the cries of the DE-ICT students as they practiced their selling abilities on the fans of two EHS football games. This money was used to pay for the many activities of the two clubs. One activity was the DE-ICT banquet held this year at the Holiday Inn for teachers and employers.

Both clubs have district, state, and national conventions that include contests that develop aptitudes and interests. The students of both clubs take classroom training in selling and merchandising. Experience is gained by work on the job in the field that interests them.

These students are learning by actual experience the responsibility of holding a job.

Domestic Art Wins Fervent Response

This is Future Homemakers of America's first year at EHS. They have many worthwhile activities that will be a great aid in helping them reach their goal as an organization.

This national youth organization has several distinctive features. It provides opportunities for individual and group initiative in planning and carrying out activities related to the dual role of homemaker and wage-earner.

As one planned activity, FHA took a trip to Enid State School and gave the children a Christmas party, serving refreshments.

Gymnastics Helps Athletic Dexterity

Girls' Physical Education is an educational program, placing physical fitness and fun along with academic achievement. Miss Barbara Beggs joined the staff this year and, along with Mrs. Judy Hickle, has made the classes interesting and enthusiastic.

New facilities included the parallel bars and the girls participate in golf, swimming, tennis, volleyball, tumbling and basketball.

Pyramiding to the top is a lucky member while smiles of fun and companionship hide the strain.

Girls' physical education classes build skills and grace through games, sports, and tumbling.

Vo Tech Offers Course Variety

The O. T. Autry Area Vocational Technical Center has had many beginnings in 1969-70. One was the joining of Vocational Industrials Clubs of America. VICA is open to any student enrolled.

Vo Tech offers courses to students of Enid and surrounding towns. These classes include twenty areas of study from food service to electronics, dental technician to farm machinery.

Another beginning is the future expansion of the school. New rooms will be added to the now three year old building. These rooms will house more classes and thus will provide more students with the opportunity to attend Vo Tech.

Mixed Chorus Displays Artistry in Song

The Enid High Mixed Chorus concluded a busy year of several outstanding performances and varied activities. The chorus' first performance was given at the annual Christmas Vespers held at Convention Hall.

The highlight of the chorus year was an appearance with the Oklahoma City Symphony Orchestra. The chorus, under the direction of Dr. Guy Frazier Harrison proved the able instruction of Mrs. Maurene Priebe with an outstanding performance of Mendelssohn's "Festival Song of Praise" and "The Poleveitzian Dances" from Borodin's opera "Prince Igor."

Not only did the chorus provide beautiful sounds, but also a lovely sight. New aqua and gold vestments were purchased this year and worn for the first time at the Symphony performance.

The annual time to sing program upheld the tradition of beautiful music in the classical as well as the popular style. The climax of the program was the crowning of Rick Rector and Francee Harmon as Chorus King and Queen.

The Enid High Madrigal prepares to sing for community holiday functions.

Boys Vocal Talents Blend in Harmony

The Enid High Boys' and Girls' Choruses rapidly developed greater musical ability this year under the able direction of Mrs. Maurine Morrow Priebe. The culmination of their efforts was in evidence during performances in the annual Christmas Vespers, the Time to Sing program, and the Tri-State Music Festival.

The girls' voices blended to new highlights as they performed a collection of works by Robert Louis Stevenson set to music entitled "The World is So Full." The Boys' Chorus favored the listener's ears with their rendition of several old Cowboy melodies. All in all 1970 proved a successful year for the two choruses.

Hard work keeps the Mixed Chorus busy in anticipation of their performance with the Oklahoma City Symphony.

BAND

"Oh here's to Enid High School . . ." rings out all around you as the Enid High School Band marches onto the field. The band is a familiar sight at football games, a tradition almost as old as the school. This year, 1970, the tradition is continued.

There are many other activities in which the band participates. District contests and Tri-State give two opportunities for performances of marching abilities. The band's practice sessions are long and hard for each performance.

It's a common thing to hear the band practicing at 7:30 in the morning, even if the weather is "below." The 207 band members held just as many practice periods inside for the concerts given in district contests, in the annual "Symphony, Song and Swing," in Tri-State, and on our own stage.

Mr. Eugene Griffin, director, and Mr. David Davis, assistant director, were pleased with the high ratings the band received as a result of the practice this year.

Orchestra In Tune With Changing Times

The Enid High School orchestra displays their many talents in school programs, on tours, and personal performances. Their music ranges from classical to the contemporary tunes of today.

A number of the orchestra students are privileged to be accepted into the All State Orchestra in Oklahoma. The Enid High School orchestra works many hard hours, both in and out of class, to achieve perfection which is obvious by their

excellent performances.

Several awards are won by the students in Tri-State Music Festival. The orchestra enters, also small group routines, and individual solos. Throughout the rest of the year other contests are entered which the orchestra participates in. The orchestra maintains a busy schedule year round but still remains on top.

Students Cited For Honors

The Errol Kesner Chapter of the National Honor Society assumed an air of distinction this year. To be accepted, students were required to maintain a 3.35 grade average and be approved by a majority of the teachers for character, leadership and service. These rigorous requirements made membership in the NHS a genuine feat.

The standards of the NHS were proved exceptional this year when several members were named finalists, semi-finalists and commended students in the National Merit Scholarship Qualifying Test.

The honor achieved by these and other members of the Honor Society was characterized by two formal initiations and by distinguished speakers at each monthly meeting. All activities of the Honor Society heightened the student body's awareness of the importance of good grades, dedicated service, moral integrity and leadership.

Student Council Displays EHS Enthusiasm

Containing seventy-five members, this year's Student Council, has been a hard working one. Portraying their drive with the successful new students' party, the first activity sponsored by the Student Council, this group sponsored Homecoming, Open House, Christmas baskets and Post Office, Valentine Post Office and Sadie Hawkins week. Student directories were sold by the Council early in the year.

But this was not all the Council did. Among the big projects backed by the Student Council was the reupholstering of the front hall seats, the decorated car contest for Football Homecoming and the new parliamentary procedure, that was used to help the Council with rules and order.

All these projects helped to have a busy but enthusiastic Council for 1969-1970.

Student Council Builds Leadership Ability

The Student Council consists of students who are voted into office by each of their homerooms. To be elected, these students must hold a strong grade average in school, be a leader and willing to accept responsibility for a better school.

After being elected, the Council works at games selling concessions or doing some of the many different jobs available to different clubs to make money. The money is then used to support various

projects desired by the student body.

Some of the projects this year have included mirrors and bookshelves in the rest rooms, hair dryers for the swimmers, ice tea in the cafeteria and new upholstery for the student center.

Student Council helps student leaders learn proper procedure for forming committees, passing motions and due process of rules and order. Their goal is a better Enid High School.

Classes

1970 SENIOR CLASS OFFICERS, Judy Frantz (treas.), Denise Daniels (rep.), Bruce Bishline (pres.), Pat Arnold

(sec.), and Karen Long (v.-pres.), appreciate the recently completed beautification of the downtown Enid area.

Dreams Are Realities: A New Beginning

Dreams became realities as the seniors participated in the traditional activities. Three years of high school were climaxed by football and basketball homecomings, the senior play, the prom, and May Fete. The excitement of closing events caught up all the seniors as the year ended.

After commencement we will pass into the world beyond high school. These past three years will become fond memories to look back upon. We will continue to add to the knowledge and experience gained within these walls as we approach the 1970's with a new beginning.

Vivacious Spirit Animates Student Body

Thursday nights after school were busy ones for the Bravettes. Making posters and pom-poms, hanging signs and winding streamers were just part of the job. During football season each player looked forward to some kind of weekly surprise.

New pom-poms for the Bravettes added to the vivacious spirit. Enthusiasm and support came from every direction with the Bravettes in the lead.

Collecting money at games for Cerebral Palsy and Community Chest, selling Homecoming mums, bus trips and pep assemblies kept Bravettes busy during the year. In the spring, cheerleader try-outs and election of officers were big events. Pride, enthusiasm, and work made the Bravettes 100% BIG BLUE SUPPORTERS.

Grace, Fitness, and Ability Goals of GRA

Exciting activities began the program for the Girls' Recreation Association this year. Their new sponsor, Miss Barbara Beggs, stressed working for excellence in the sports interesting each girl. Every Monday at 3:45, members met for practice sessions in golf, tennis, badminton, tumbling, table tennis or bowling.

In GRA, girls have an opportunity for team and individual sports and also earn merit points. Special honors are given to those girls acquiring the most points throughout the year. GRA is a chance for every girl to be a part of a physical program and develop their abilities.

Learning the rules and playing the game adds to knowledge and aids physical fitness.

Youth Leaders Gain Political Knowledge

Leadership, scholarship, and citizenship mark the qualities necessary to be chosen as a citizen of Oklahoma Boys' State and Girls' State. Sponsored by the American Legion and other community organizations, the delegates learn the makings of good citizens and how to run state government.

Interest in government spurs on the enthusiasm

of Hi-Y for boys and Tri-Hi-Y for girls. Sponsored by the YMCA, this group studies the workings of the legislature and the actual practice of this knowledge. Hi-Y and Tri-Hi-Y supported teen interest by the creation of a Teen Room at the YMCA, with facilities available to Enid teens.

Students Gain Experience Aiding Others

Library Club members are library assistants who give aid to the faculty and the student body. Checking books in and out, timing library passes and shelving books are only part of their daily routine. Fun is part of the course, too. Members enjoyed several parties throughout the year.

Office Assistants are volunteers who perform

necessary duties for the general office staff. Among their many duties are such tasks as picking up attendance slips and delivering the daily bulletins, STO's and Please Calls. At Christmas the students are treated with goodies furnished by the office staff of four secretaries.

Medical Arts Say Learn, Serve, Help

Representatives from dentists to orthopedic surgeons talked to the Medical Arts Club this year. Dr. E. H. Mabry, Dr. Joe Jarman and Dr. Mike Blazi filled the growing minds with their know-how.

The prescription for the members was to learn and help. The club went to Ash Cottage at Enid State School and gave the children a party, presenting a record player to the cottage. Then a group of members went to the Day Care Center to entertain the children by giving them hand-made puppets and a humorous skit. Later, graduating members were honored with a senior banquet.

Medical Arts proved an enjoyable and educational experience for all members.

EHS Talent Reflects In Versatile Students

Humorous interpretations, a ventriloquist, dancers, pianist, and various solos made up the talent presented in the fourth annual all-school Talent Revue held December 4, 1969.

The revue is a competitive contest sponsored by Thespian Troupe 1263. Selections chosen by the faculty made up the list of contestants. The chosen acts then performed in the revue.

Six competent community leaders served as judges and selected the five winners of the revue. Winners of the 1969 contest were: Jacque Cutbirth, vocal solo; Rick Rector, vocal solo; Vicki Butler, twirler; Karen Long and Collette Warkentin, dramatic duet; and Judy Frantz, vocal.

Led by Junior quarterback Jeff Mabry, the Enid Plainsmen blasted down the Ponca City Wildcats 36-22 in both teams' season-openers. The mighty Blue also advanced on to their first Mid-State Conference victory over the Southeast Spartans in a 22-7 win. The team went on for 4 more consecutive victories then fell to the Knights of Northwest Classen.

The spirited Plainsmen regained their power to give Enid fans a thriller against the Midwest City Bombers. The team lost, but proved that Plainsmen never give up. Blue-Chipper Awards were given for outstanding effort shown on the gridiron, and The Defensive Zulu and Headhunter awards also added zeal and excitement to the 1970 season. Enid High School will also be proudly represented this year in the ALL-STATE game this summer, with seniors Mike Martin and George Davis being selected for that honor.

Highlanders Capture No-Loss Record

Trying to boost the mighty Highlanders from the sidelines proved to be quite successful for Coach Duke.

Enid High's second team in football, the Highlanders, is devoted to gaining experience for prospective Plainsmen.

The team comprised of both sophomores and juniors is directed by Coach Floyd Winfield.

Gaining football experience, and having the opportunity to play teams in the surrounding cities, the Highlander team showed both excellent ability and promise. This year's team played 12 games and finished the season undefeated. Many of their games were played in Plainsmen Stadium and drew many fans to watch the determined young men fight opponents.

High Hoopers Rally to Fans' Enthusiasm

Keeping an eye on every Pirate move are Greg Newton and Haney Buxton.

Being fresh and inexperienced, the Enid High Roundballers rallied and proved their strength under the capable coaching of Mr. Bob Niles and Mr. Dusty Eby.

The team composed mainly of aspiring young juniors was led by outstanding seniors.

After playing in the Texas Tournament and winning two out of three games, the team traveled to the Oral Roberts Tournament to win the Consolation Trophy by defeating Tulsa McClain and Lawton High School in the second and third rounds of the tournament.

John Marshall proved an easy game, but the first half left many fans with a doubt. However, after the half, the Roundballers advanced rapidly and forwarded themselves to a 66-51 victory.

Being up for the OC Northwest Classen clash, the Knights must have been just a little higher and hotter, after a close and touchy game. The game ceased with the score 54-57 in favor of the Northwest Classen Knights.

Enid's Greg Newton responds to spirit produced during the Homecoming clash with Putnam City.

Successful Season Boosts "B" Teamers

Basketball Highlanders, known for their aggressive ball maneuvering, again finished a season to be proud of.

The Highlander Team, made up of sophomores who possess the needed talent potential, but lack the necessary experience, played 21 hard fought games this year.

Many of this year's games were played before the varsity's games at home and traveling. Being as spirited as they were, the team drew both praise and criticism from their Coach Bob Niles.

The rotation of team captains provided many members of the squad to gain more experience. Next year, many highlanders will be participating on the "A" team, and will be appreciative that they spent this year soaking up the know-how.

Randy Williams and D. H. Bradley are this year's managers.

BASKETBALL—B TEAM—KNEELING: Eddie Frazier, Mike Wanzer, Mark Morris, Vernon Barnes, Clifford Ware, Bay Mitchell, Frank Dunlap. STANDING: Richmond Polwort, Terry Bush, Kim Swiggart,

Mark Schroeder, David Coombs, Albert Staerke, Martin Kollmeyer, Billy Clark.

EHS Cindermen Display Perseverance

Hurdler Gary Steinert practices to get in shape for track.

The 1969 Enid Cindermen, after suffering injuries and drawbacks, pulled out to finish an accomplished season. The team, strengthened by two outstanding returners, went on to win one meet, place second in two meets, qualify for third place in four meets, take fourth place in two meets and rally for fifth place in one meet.

The standards of excellence upheld by every athlete proved evident in all the members of the EHS Track Team as the Cindermen took first place at the Alva Invitational Tournament.

Two of the most outstanding athletes of the season included David Henneke, a pole vaulter, and Alan Camp, a discus thrower named to the All-State team for the '69 Plainsmen Cindermen.

TRACK TEAM—FRONT ROW: Terry Moulton, Mike Honingsberg, Herschel Phillips, Alan Hoad, Dwight Swan, Jamie Robinson, Gary Steinert, Dennis LaFitte, Curt Shilton, Gary Franklin. SECOND ROW: Jeff Mabry, Rick Ronck, Brad Lucas, Gary Derrick, Jon Waller, Stanley Miller, Gary Knoll, Brad Almond, Mark Simms,

Leslie Owens, Keith Watts. THIRD ROW: Ray Hastings, Greg Martins, Doug Mays, Tim Brailey, Dennis White, Doug Durham, Kim Wilson, Rick White, Danny George, Butch Countryman, Steve Cropper.

CROSS COUNTRY TEAM—FIRST ROW: Alan Hoad, Jim Agee, Kim Wilson, Ken Dunbar, Danny George, Bud Almond, Stan Miller. BACK ROW: Coach Lloyd Ray, Mike Rockwell, Joe Dud-

ley, Lynn Semrad, Gary Steinert, Mike Cutting, Kim Domnick (mgr.).

Cross Country Claims "State Champ"

Under the guidance and coaching of Mr. Lloyd Ray, Enid High's Cross Country team finished off an outstanding season. The team captured 3 first place victories, 3 fourth placings and placed fifth in one meet.

This year Enid brought home the first Cross Country trophy to the school from the Ponca City meet.

The outstanding Harrier this year was Kim Wilson, who was also outstanding distance runner for the '69 squad, placing 17th in the State Finals. This year Kim was named State Champion, running undefeated all season.

Serving as team captains for the 1970 season were Kim Wilson, Jim Agee, and Ken Dunbar.

Sluggers Maintain Accomplished Season

Spring practice, brings desire for team membership.

Enid High's 1969 sluggers finished a winning season with a 18-11 record. Opening the season against the Oklahoma City Douglas Trojans, the Plainsmen smashed on to finish the season with a fifth place ranking in state play.

Kellet Park was the scene of dynamic Plainsmen action at home, with outstanding support from the Enid fans. Enid's out-of-town play was equally successful when the Big Blue captured first place in the Garber Tournament.

BASEBALL TEAM RETURNEES—KNEELING: Darrell Gorre. STANDING: Tom Karns, Lynn Baker, Dwayne Campbell, Gary Fleming, Haney Buxton, Jeri Cook.

SWIMMING TEAM—BOARD: Joe Dudley, Jim Hurd, Roy Allen, Randall Gregory, Bill Buvinger, Alan Dusbabek, Greg Franklin, Phillip Clover. SEATED: David Webb, Clint Jayne, Rick Livingston,

Eldon Julius, Steve Chambers, Robert Clothier, Mike Hart, Joe Hysell. STANDING: Barry Casey, John Bailey, Dan Maxey, David Buckles, Bernie Wheeler (mgr.), Rick Niles (mgr.).

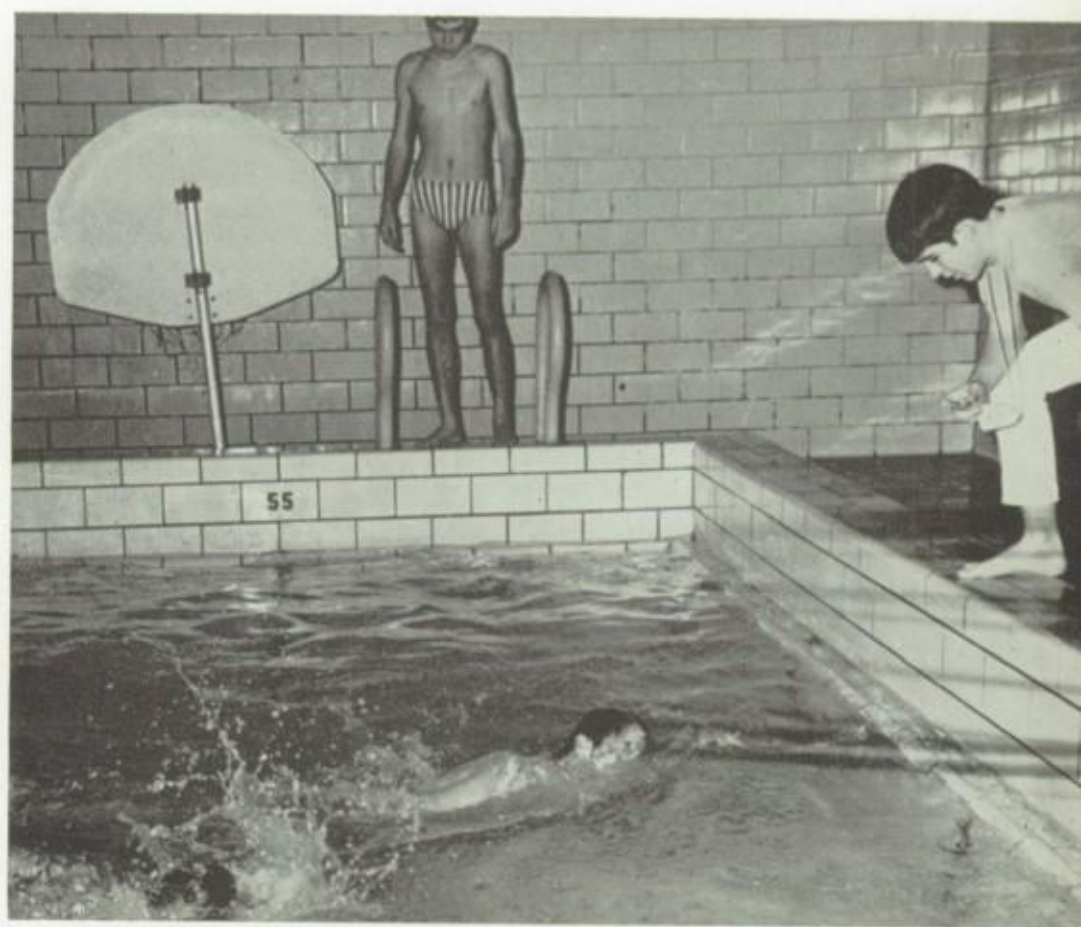

Big Blue Tankers Push to Excel

The Enid Swim Team, under Coach Jerry Reese, participated in some nine meets this year throughout the state. The team practices steadily in all swimming events from strokes to diving.

There were five returning seniors this year to add experience, and the size of the team grew rapidly.

The team was represented at the Mid-State Meet, and also the State Swimming Meet. Seniors Bill Buvinger and Greg Franklin were the Enid tankers attending the State Meet.

The Swim Team has excellent competition each year, and each event must be practiced to perfection to uphold Plainsmen tradition.

Concerned, Joe Dudley watches as Bill Buvinger touches the side, winning. Ricky Niles clocks the swimmers in.

TENNIS TEAM—FRONT ROW: Elmo Collins, David Jenkins, Mark Lisle, Rick Hockmeyer, Joe King, David Axe. BACK ROW: Coach

James Loomis, Steve Wagner, Grant Harris, Roger Sharkey, Kim Wirtz, Mark Cameron, Jerry Owen, Jay Mabry.

GOLF TEAM—FRONT ROW: Steve Moore, Jerry Murrow. BACK ROW: Neil Oxford, Neal Wasemiller, Tom Taylor, Ron Klassen, Jerry Nickel.

Spring Sports Live With Good Weather

After a 1969 record of 3 wins, 4 losses and 1 tie, Enid netters began the 1970 season with four returning players and an increase in team membership. Sparked by the dynamic coaching of Coach Loomis, the 1970 season proved to be outstanding.

Enid Duffers turned in a 6-4 season record under the able coaching of Floyd Winfield. The 1969 linksmen returning for the 1970 season were: Tom Taylor, Neil Oxford, Gary Owens, Ron Klassen, Rick Burrow, Jerry Nickell, and Neal Wasemiller. High hopes for the 1970 golf team were fulfilled with a winning season.

LETTERMEN—FRONT ROW: Darrell Gorre, Jim Agee, Kent Duckworth, Leslie Owens (rep.), Kim Wilson, Phil Clover, Jerry Nickell, Jeri Cook, Stanley Miller, Mike Marshall. SECOND ROW: Herschel Phillips, Lynn Baker (pres.), Gary Fleming, Haney Buxton, Steve Cropper, Gary Brown (sgt. at arms), Randall

Lettermen's Club Promotes Athletic Unity

Receiving a letter in a competitive sport entitles students to membership into Enid High's athletic organization. New pledges soon learn that this club is not as easy to join as it appears, with days of pledging, and the inevitable initiation night.

This year's club and friends and fellow team-

mates of Tim Kirby, deceased '69 graduate and Letterman, honored him by retiring his jersey at a memorial assembly.

The Lettermen vs. Faculty benefit basketball game was a roaring success. The proceeds of this game help defray expenses for the club.

LETTERMEN—BOTTOM ROW: Alan Hoad, Jeff Lowe, Tim Wilson, Rick Outhier, Roy Lacey, Jamie Robison. SECOND ROW: Doug Walker, Doug May, Keith Phillips, Richard Dodds, Jeff Mabry,

Bud Almond, Kim Dornick. TOP ROW: Keith Watts, Dick Abernethy, Dean Mendenhall, Brad Hutchison, Greg Martens, Richard Cummings, Harley Justus, Gary Reid.

Athletes Set Christian Goals for Future

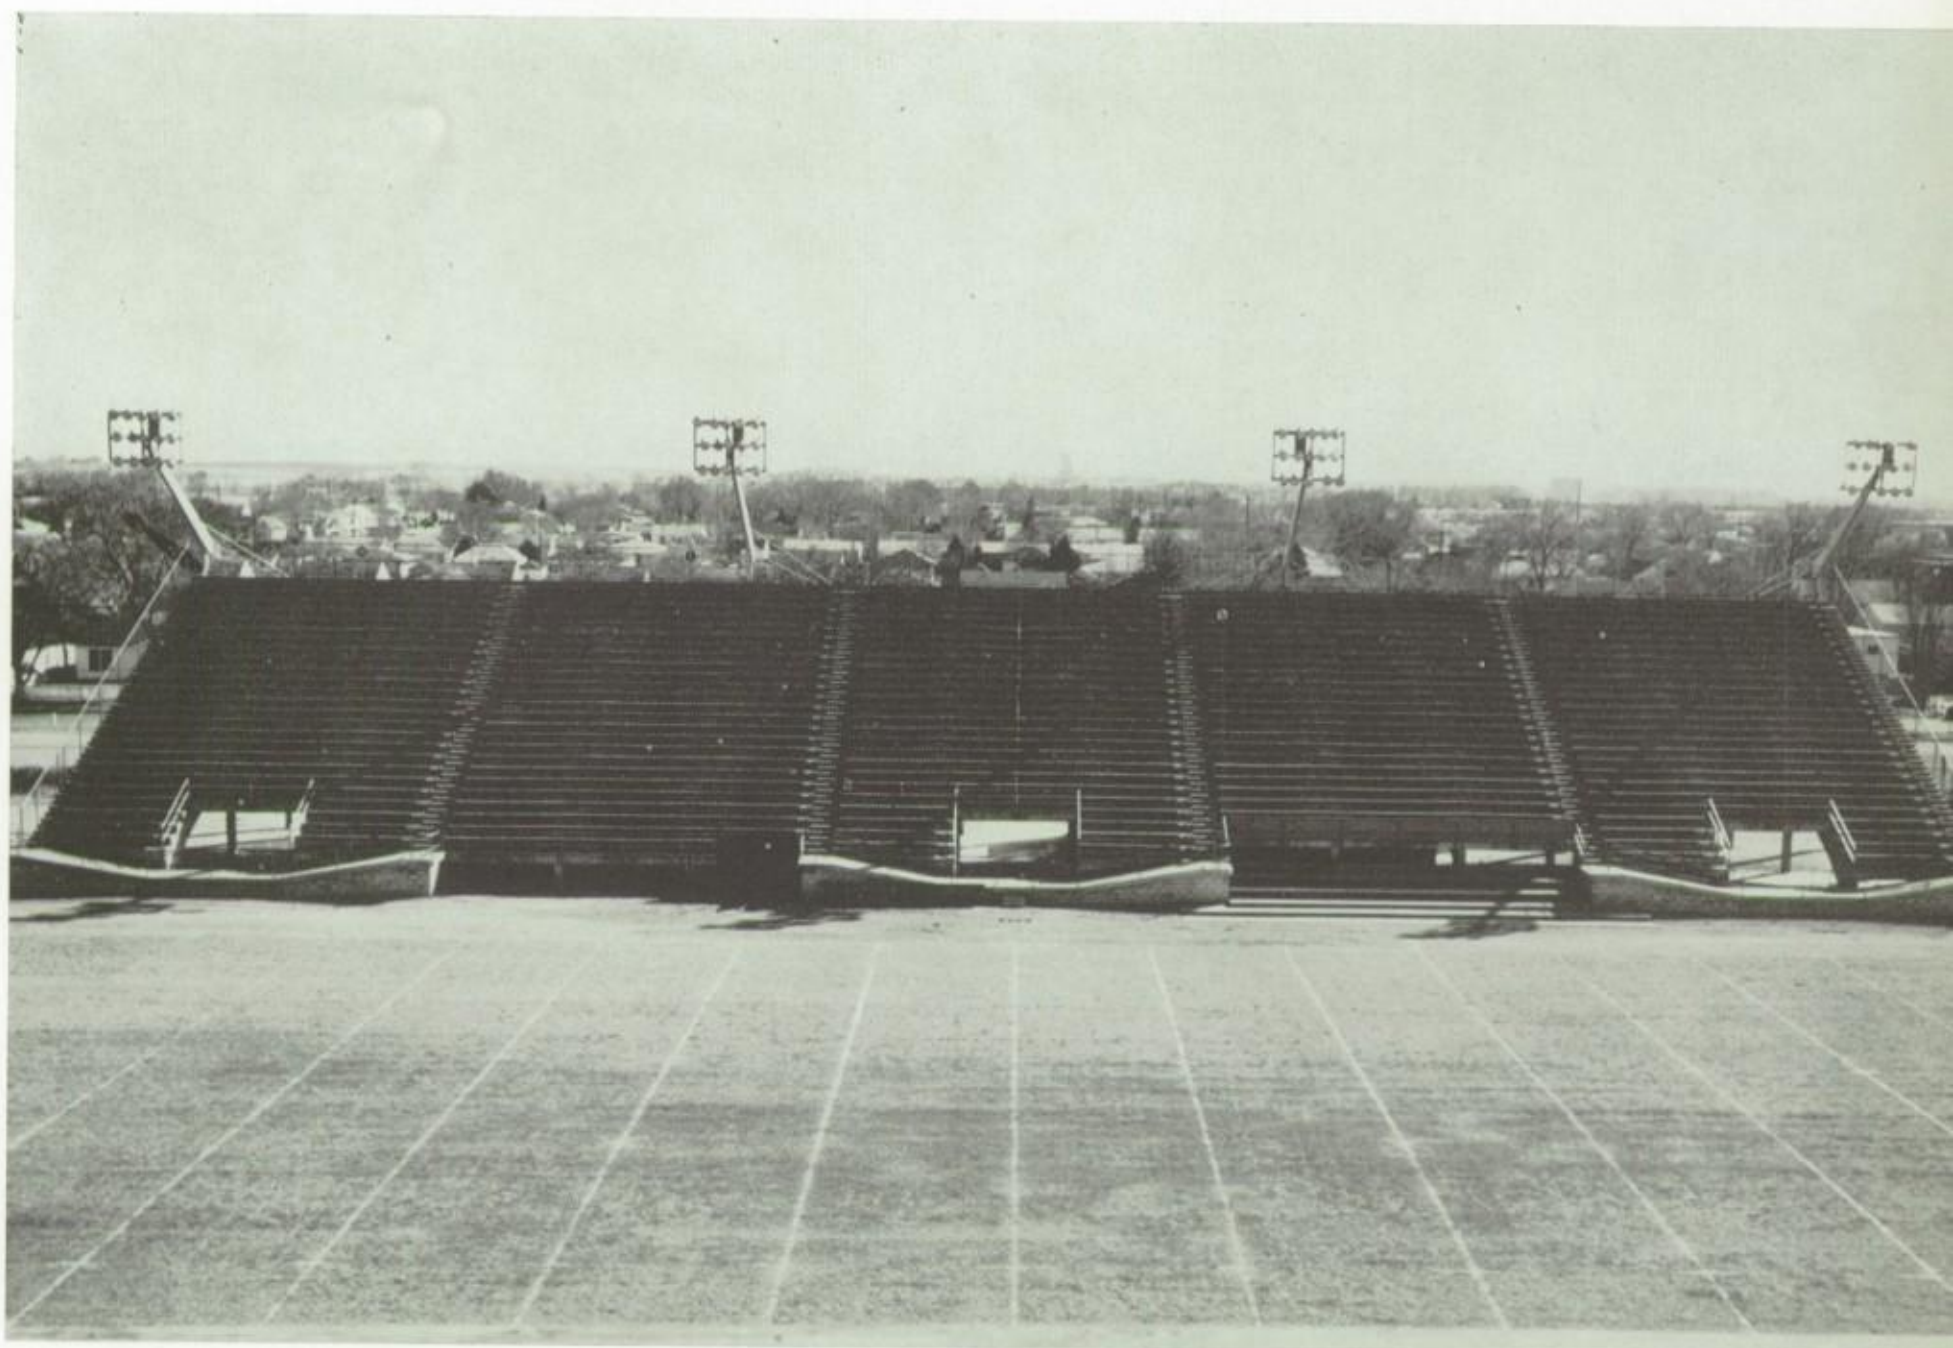

The importance of good morals and keen awareness is a most important factor in any sport. The Fellowship of Christian Athletes instills in young men the high ideals that must accompany any competitive sport. Good sportsmanship must be part of everyday life.

The club utilized speakers to inform the young athletes of the role Christianity must play in their lives, in order to be a better athlete and a better person. Living this role in our new decade is the goal of Christian young men, the leaders of tomorrow for our community and nation.

FCA—FRONT ROW: Elmo Collins, Stanley Miller, Jamie Robison, Larry Alley, Gary Fleming, Billy Clerk, James Bryant, Jerry Nickell, Ben Hardcastle, Mike Honigsberg, Reinaldo Martinez. AN EXCITING EDUCATIONAL OPPORTUNITY AWAITS YOU AT PHILLIPS UNIVERSITY

My father, Gene McConkay, in 1910 made the first pictures for the QUILL Annual. Through these 60 years, Enid High has put out an annual except one year during the depression, but the McConkays still made the photographs for that year so the senior pictures could be hung in the hall.

The past 42 years I have been the photographer for Enid High School, although it seems only a short time. But looking back through some of these QUILL Annuals I remember making pictures with an 8 x 10 camera using flash powder. I used to smoke up a lot of rooms through the building with open flash. Now better equipment enables me to work faster.

In these last 42 years, I have been knocked down at football games, tackled, had two camera's broken, and two ribs cracked; but with the next game I would be ready for more. Neither rain nor cold would make me miss a game at home.

I have enjoyed working with this new generation, with the teachers that have been here for many years and those just starting.

I want to express my sincere thanks to Mr. Mauk and his office staff, Ruth Hodgson, faculty and members of school body, for time and patience putting up with me.

SENIORS OF CLASS 1969-70

Sorry I couldn't make your senior photographs this year. But still had a hand in being with you, and taking part in seeing that you have plenty of pictures in your Annual.
